Hi Augie,

I believe you have a hard copy of the petition. The electronic version I have has a red line through it. Do you need assistance in getting Gene to sign?

Thanks,
Michael

Subject: Follow up on POLA petition

Good morning,

I am writing to follow up on the POLA petition. I was hoping to gather as many petitions as possible this week since the City needs to go through a process to verify them.

We can pick it up, if necessary.

Thank you for your assistance.

Best regards,

Mike,

We received approval from the City of Los Angeles this morning that we can begin the petition drive. Attached is the POLA petition that consists of the Management District Plan summary, a map of the District and three signature pages.

Can you please obtain Mr. Seroka's signature on all three pages of the petition. I can also bring you an original if you prefer. The signed petition can be signed and scanned back or I can pick it up.

In the next month or so, the City of Los Angeles will mail out a ballot to you. I will communicate with you again during that time to ensure that you receive the ballot as it will be mailed out directly from the City.

Thank you again for all of your assistance during this renewal process.

Best regards,

Hi Mike,

Following the motion to approve the Executive Director signing the documents to support the renewal of the San Pedro BID, we will be requesting two signatures. The first signature will be the petition (March/April) and the second signature will be the ballot (June).

Now that Doane will not be my point of contact should I go through you?

Thank you for all of your assistance.
